President Obama's promise to close Guantánamo Bay prison by January 22, 2010, is meeting with resistance from Congress and fear on the part of many Americans who are unaware that the majority of prisoners currently held at Guantánamo Bay have never been charged with any wrongdoing.

Be part of the solution

Join or start a local group to engage your community in grassroots education and thoughtful, informed debate to ensure that all the remaining men are charged with crimes and tried in federal court or via military courts martial or released if they have done nothing wrong and pose no danger, in accordance with the U.S. Constitution.
